Bathymetric Surface Model Comparison -
June 2003 and January 2010 Survey Data
Gowanus Canal Brooklyn, New York

NOTES:

- 1) Survey data collected by CR Environmental, Inc. of East Falmouth, Massachusetts on June 25, 2003 and January 5, 2010.
- 2) Grid: NY State Plane (LI), NAD83, US Foot.
- 3) Elevation differences less than +/- 0.6 feet are transparent. These values are within the combined RMS error range for the two surveys.
